CAMBRIDGE, MASSACHUSETTS 02139

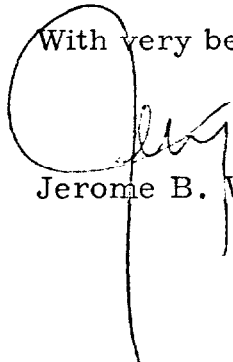

June 27, 1968

Professor Joshua Lederberg
Department of Genetics
Stanford University School of Medicine
Stanford Medical Center
300 Pasteur Drive
Palo Alto, California

Dear Josh:

I have followed through on your note and spoke to the Vice President who said he welcomed the suggestion and would see what he could do about the issue you raised. Thanks for nudging me. It was a good idea to talk to the Vice President for he appreciated the call.

With very best regards,

Jerome B. Wiesner
